ASSOCIAZIONE EX ALLIEVI

Scuola Superiore S. Anna di Studi Universitari e di Perfezionamento (Pisa)

(Former Students' Association Scuola Superiore Sant'Anna for Upper University Studies and Specialization)

The Former Students' Association of the Scuola Superiore Sant'Anna in Pisa seeks to uphold the cultural bonds and group tradition in cooperation with academic staff and students of the Scuola and develop links amongst them by promoting cultural, scientific and social initiatives.

Anna Chromy's exceptionally beautiful Sisyphus 2004 is a masterly representation of the task the Association has set itself. The demanding sense of responsibility of Sisyphus leading his family along the path of life hoping to reach the hilltop can be taken as symbol of the Council's role and the support offered to the Scuola.

The Former Students' Association in conjunction with Arpa Foundation wishes to donate Anna Chromy's Sisyphus 2004 to the Scuola Superiore Sant'Anna to promote the creation of a new museum area inside the park of the Scuola.

The President Giuliano Amato
The Coordinator Franco Mosca.
