

Dear Mr. Stein,

Thank you very much for your letter regarding the important work of the International World Conscience Association and the Coat of Peace Project. The IWCA's goal of encouraging peaceful coexistence and harmony between the world's various populations is an aim which I, and the Tony Blair Faith Foundation, fully support.

It would be a pleasure to see you in London, but unfortunately my schedule for the foreseeable future is incredibly busy and, at the moment, I have no free days in London. If you do find yourself in London in the near future, however, please let us know as Ruth Turner, the Chief Executive of the Faith Foundation, would be delighted to meet you. Her direct line is: +44 0207 647 7849.

Yours sincerely,

Tony Blair
